

ENERGIZE YOUR KIWANIS CLUB!

HOW WOULD YOUR CLUB LIKE TO:

- Build membership
- Retain and excite current members
- Increase member participation in service and fund-raising projects
- Introduce innovative club programs
- Improve your club's image
- Change lives and make a difference

• Sponsoring a Key Club or Circle K club will energize your club and increase membership and participation.

• Request your free introduction kit—a step-by-step guide to club building—by completing, folding, and returning this self-mailer.

Key Club

Key Club International is the world's largest high school "student-led" service organization. Devoted to involving high school students, ages 15 to 19, in community and school service, Key Club is developing young leaders and citizens. A Key Club may exist in a high school or equivalent institution, or as a community-based club.
